Dear Mr. Looney:

I have received your second submission for the above-mentioned application. As indicated by my previous letter to you dated July 29, 2008, and acknowledged by your letter dated August 19, 2009, a timeline extension and reactivation fee will be necessary for the application to be changed from "inactive" status to "active" status.

The required reactivation fee is \$3,937.50, or 25% of the application fee for a Special Exception use with land disturbance exceeding 10,000 SF. Once the reactivation fee and timeline extension is received, the application will be sent out on a 30-day second referral. The application is tentatively scheduled for the March 24, 2010 Planning Commission public hearing. Please provide a timeline extension which will accommodate the public hearing and business meeting schedule of the Board of Supervisors.

If you should have any questions, please feel free to call me at 703-777-0246.

Sincerely,

Marchant Schneider  
Project Manager
